As freshman we all come into Braintree High as blank slates. We do not know what we want to do, who we want to be, or even who we are. With guidance from our teachers, family, and friends, we are pointed in the right directions. Joining clubs and teams allows everyone to make new friends. The relationships we form help to create the people that we are today. The years progress and our color wars shirts change: first we are frosh, then sophs,

juniors, and finally seniors. Each year defines us by color. Each team defines us by season or sport. Each club defines us as our interests. Each person we meet defines us in one way or another. Our teachers, family, and friends have immensely influenced our lives. We arrived in Braintree High as mere freshman. We emerge as confident adults ready to go out into the world because Braintree High has given our lives definition and made us who we are today.

Headmaster
Mr. David Swanton

"To the Class of 2012, I wish you all safe passage though the next phase of your life. Keep in mind that with each challenge there is opportunity. Stand strong; you have the skills, enthusiasm and self confidence to chase your dreams. Similarly, I am leaving BHS and pursuing new opportunities and aspirations. My 32 years as a teacher, coach and administrator at Braintree High School was the culmination of a dream that was cultivated when I was a student in our beloved BHS 40 years ago! I was well prepared and I am proud to have given back to those that gave so much to me. Maybe you will decide to be a teacher, doctor or serve society where your mission is to make a difference in people's lives. Remember the power of learning and apply the values that you learned while a member of our school. Go now and change the world! Make it a better place for you & me!"

Here you are in September of 1997 on the first day of school at Merry-Deb with your Scooby-Doo backpack. You kept telling us in the car "I'm not going and that's that." We are glad you outgrew that stage of not wanting to go to school! Can't believe how fast the time just flew by. How can our youngest child be going to college?

You have always been a wonderful son, and a great baby brother. We are all so very proud of you!

Four years have flown by since the day we all stepped through the doors of BHS as freshman. Back then, we wondered how we would ever get to class on time and what a Wamp really was. Since that day, we have made new friends and built relationships that will last a lifetime. Now that high school has defined each of us and made us who we are today, we are ready to move on to the next chapter of our lives. Many of us will find a new life in college; others will find it entering the service, working, or even traveling. Regardless of how far away we go or where we end up, we will always have this yearbook to look back on and remember our high school days. We have learned that a Wamp is much more than a mascot; it is a spirit composed of school pride that lives within each of us. I wish each of you luck with all of your endeavors and hope that you find success wherever your future may take you; but, no matter what, never forget Braintree High and the Class of 2012. Take all that you have learned and bring it with you to your future.

Good Luck,
Annalisa Berardinelli

COLOPHON

Volume 70 of the Wampatuck was published in a limited edition of 325 copies with 184 full-color pages. An additional 16-page black and white spring supplement covered activities and events that occurred after the February deadline and is delivered in the fall. The books were printed by Jostens Printing and Publishing, PO Box 297, 401 State Park Road College, PA 16804-0297. Tara Anderson was the Josten yearbook representative. Christina Hodges was the Josten Plant Representative.

The cost of the edition was approximately \$38,000.00 to publish. Individual copies were sold for \$85.00 if purchased by the December deadline. All other yearbooks were sold for \$95.00.

The cover was designed by BHS Wampatuck Yearbook Staff. The pages were produced using a four-color litho process. Finished pages were submitted to the publisher with Netline. Page layout was done using Adobe InDesign CS4 on Dell Computers and HP laser jet printers. Copy was written in AYT Bria, AYT Typemaker and Helvetica.

Senior portraits and photographs were handled by Prestige by Lifetouch Studio. Contributing photography studios for senior portraits included: Peter Silowan Photography, Sally Bowen, and Dina Rota Studios. Lifetouch photographer (John Peresada "All-Star!") provided candid photos for sports and activities. Photographs were also provided by the yearbook staff. Mrs. Marsha Roos was the business advisor and Mrs. Heidi Hurley was the creative and staff advisor. The 2012 Yearbook Staff would like to give a thanks to all the faculty and staff for your help and assistance in producing this year's 70th volume. We apologize for any miss spelling or miss identifications, none was done intentionally.
